Directions:

Setup

Print the calling cards and player cards and distribute one player card to each student.
(Optional) Laminate cards for durability and repeated use.

How to Play

Click the image above or scan the QR code to access the **online audio recordings**.

Select the **shuffle button**  so the recordings play in a random order.

Play one audio example at a time.

Students listen carefully and identify the correct instrument on their card.

If they have the instrument, they may mark or cover the space.

Objective

The first player to get **5 in a row** (horizontal, vertical, or diagonal) calls out: **BINGO!**

Alternate Way to Play

- Cut out the calling cards
- Place them in a bag or container
- Draw a card and play the recording
